DISCOVER THE TRUTH
IN NATURE'S VOICE

Winter Camp 2026

INTRODUCTION

HELLO SCIENTISTS!

We are excited to be opening the Nature Postings WINTER CAMP 2026! We have prepared a packed schedule full of nature and science based research, discoveries and adventures!

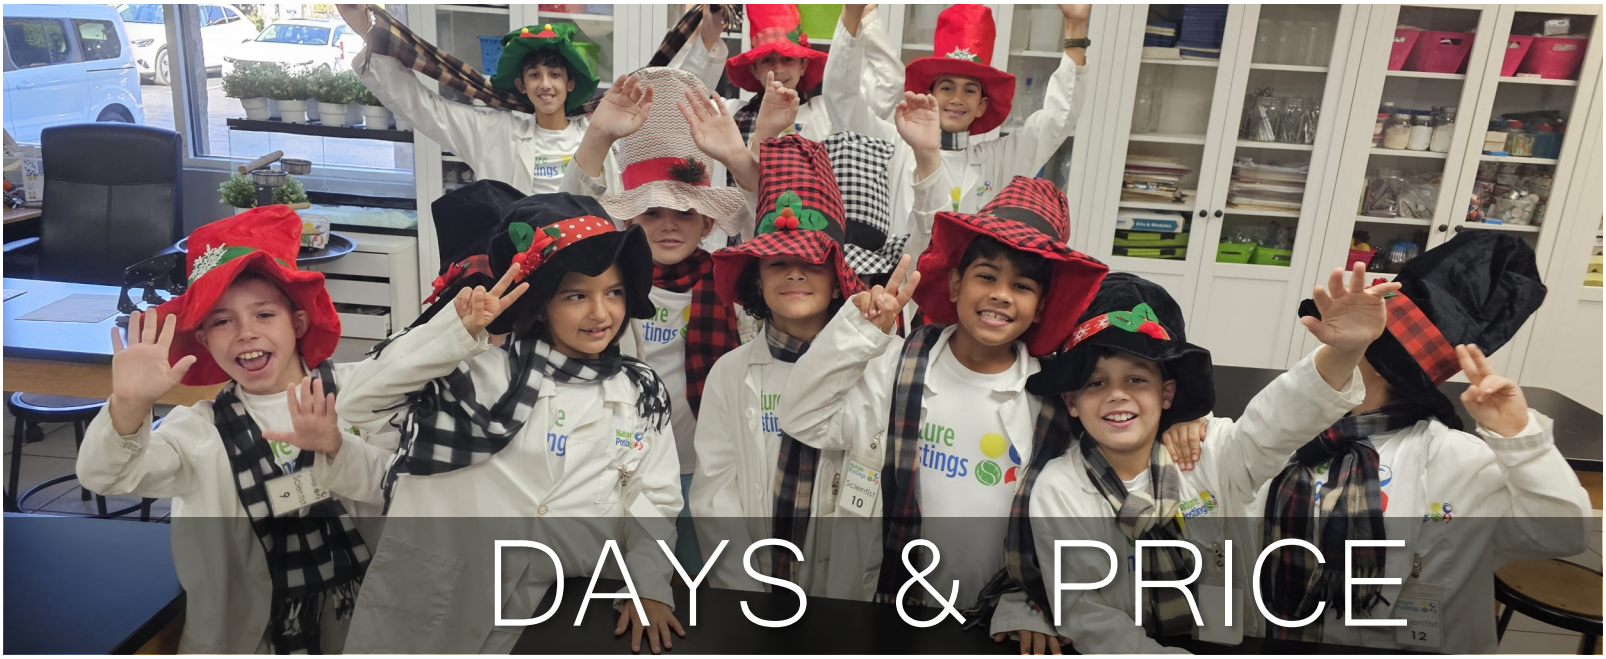

IMPORTANT!

Our WINTER camp programing provides unique opportunities for all participants to explore, understand the natural sciences. We have created a schedule where participants can experience science and nature through experiments, outdoor adventures, encounters and more!

BIKING is our main form of transportation! All participants are required to know how to bike. In our camp days, campers bike every day from Nature Postings studio lab to the destination where the nature part of the day will take place, and back. Training Wheels are ***not*** suitable for those long distances. We require campers to know how to bike properly.

LOCATION of our camp will be at the Nature Postings Studio. Our studio lab provides the best place for all the activities planned , having the animals and all the science equipment accessible to all of our scientists. *Address: 20321 Old Cutler Rd, Cutler Bay, FL 33189.*

SCIENCE, RESEARCH, DISCOVERIES & ADVENTURES: Camp themes will be included in EVERY week of the camp. Campers will be able to experience outdoor adventure, science and nature, and research in each week of camp related to the theme of the week.

DAYS & PRICE

Campers and Price

Our WINTER camp hosts a limited of **24 campers per week**. With 6 campers allocated to each team, **2 staff** and **12 apprentices** we assure all campers can experience nature and science with quality activities, encounters and more. All science and nature activities are guided by a biologist. The number of campers and staff ratios will ensure safety procedures. The price of the camp will be **$325.00 per camper**. ALL SALES ARE FINAL and NO REFUND will be issued.
