W.I.L.D AFTERSCHOOL

The W.I.L.D Afterschool Club provides young scientists with different hands-on activities based on natural sciences. Guided by a biologist, participants experience animal encounters, perform experiments, conduct dissections, enjoy outdoor adventures such as kayaking and paddleboarding, and much more! The goal of the program is to embrace experiential learning opportunities to encourage individuals to: **WONDER, INQUIRE, LEARN & DISCOVER**
